

## Strong Family Farm Newsletter - October 28, 2017

### Coming Next Week Farm Talk and More!

This week's newsletter is a bit late in the day because we're making changes to the website, and you know what happens!

First you make one change, and then another, and then all of a sudden, one thing leads to another and the next you know the changes have snowballed!

That's especially true when you're doing home renovations or renovating a website.

With that said, I think you'll like the changes we're beginning to make on the site. Colors have been updated, new pictures have been added (with a bit of flair if I say so myself), and a couple of the pages have been modified as well.

One of the updates I did was to the Programs page.

On it, you can now see the list of ALL the individuals, families, organizations, and businesses who helped make this year's Scarecrow Contest a success.

But . . . since we had already announced those who won awards in a special newsletter earlier this week, I think it only fair that we publish the full list of contestants in today's newsletter.

In no particular order, here they are!

- Jackson Kermode & Family
- Network Inc.
- DeMarco-Castle Family
- Accu-Time Systems North
- The Goldbergs
- Ms. Ford's Vernon Center Middle School Class
- Grandma Kelly with Emma and Scottie
- Vernon Garden Club
- McLaughlin/Jacques Family
- Rockville High School Activity Based Learning Class
- Perotti Family
- JWalkrz Jrs, Vernon Congregational Church\*
- Ray Page Plumbing
- Vernon Bolton MOMS Club
- Legendary Looks Barbershop\*
- Accu-Time Systems South
- Ellen and Nancy Rowe-Huebner
- Fox Hill Center
- Vernon Police Association.
- Hop Along Gang 4-H Club
- Rathbun/Clark/Perry Family\*
- Skinner Road School - Ms. Cavar
- Team Carlie & S.L.G.
- Joy Fitzgerald/Linda Sandini - Rockville High School Library\*

**Kudos to ALL the Scarecrow Contestants for rising to the challenge of the Scarecrow Contest!**

The imaginative and creative entries were awesome!

As I mentioned above, new pictures have been added to the website, and we'll be adding even more over the coming weeks and months.

We'll also be adding information about the vendors and exhibitors that participated in this year's Harvest Festival.

That way not only do we get to help you with your holiday shopping needs, but we also get to help support those people and companies that are so supportive of us.

Plus . . . though I did hear the wonderful music the Gypsy Hearts shared with everyone . . . I'll now get to check out all the vendors and exhibitors too!

Happy Halloween!

Quinn Eurich, Editor

P.S. Remember to turn your clocks back tonight!
