Name of Responsible Adult

Street Address

Town, State and Zip Code

Phone and Email

Additional Participant Name(s) Separated by Commas:

Intended on-site orientation and start date (please pick one): April 1 OR May 1

The Raised Bed Gardening Program (RBG) begins April/May (depending on gardener preference). Gardening Mentors will teach, guide, and answer questions on days TBD (schedule will be provided at start of season). Participants maintain their beds during Farm operating hours. The Garden Beds are the responsibility of the gardeners. Participants agree to the following:

- Gardeners agree to plant and maintain their beds from Spring through to the Harvest.
- Only those individuals identified above are approved to garden. Changes in approved Gardeners must be submitted to the Farm in writing via email to info@strongfarm.org.
- Sign-in: All Gardeners must sign-in upon arrival at the farm, and sign-out upon leaving.
- Explained Absences: Please arrange for a fellow gardener to maintain your bed in your absence.
- Unexplained Absences: If you have not signed in for one week and have not informed the Farm of your absence, we will maintain the garden for one additional week. At the end of that period, the bed will revert to the Farm, and all produce from the bed will belong to the Farm.
- Ending Commitment: Canceling your involvement in the program will result in the bed reverting to the Farm, and all produce from the bed will belong to the Farm.
- Any extra produce can be given to SFF to be sold in the farm store. Please log your donations.

Signature of Responsible Person: _____ Date Signed: _____

The Farm reserves the right to make changes to this program at any time.

**Members of Strong Family Farm enjoy other perks, such as a discount at the farm store*
